Thank you for your interest in our services. I am asking you and your child’s teacher(s) to fill out the enclosed questionnaires as carefully as possible. If he or she has had an evaluation by your school study team (psychologist, counselor, social worker, principal) including classroom observations, psycho-educational testing, copies of your child’s cumulative record, and previously filled out teacher questionnaires we would like a copy of these reports. Copies of report cards and any previous testing are also helpful. I will personally evaluate these records prior to the initial appointment to understand your child’s history.

ADHD DIAGNOSTIC EVALUATION COSTS

Questionnaires review & Dr. Mason’s evaluation of the information <i>before</i> the initial appointment	\$110.00	CPT code 96116
Initial appointment with Dr. Mason (85-90 min)	\$325.00	CPT code 99204
Neuropsychological computerized diagnostic test	\$135.00	CPT code 96130

Full payment of \$570.00 is expected upon checkout at the time of service. If possible, both parents should attend the initial appointment. Every perspective is very helpful.

****PLEASE NOTE: WE DO NOT BILL OR PARTICIPATE WITH ANY INSURANCE COMPANIES****

We provide you with the forms necessary to submit a claim, and your insurance company reimburses *you* according to your out-of-network benefit contract with them. We encourage you to call your insurance company to discuss your benefits using the CPT codes noted above.

CANCELLATION POLICY

If you need to cancel your initial appointment, you must do so **AT LEAST 72 HOURS IN ADVANCE**. Follow-up appointments require 24 hours notice. Missed appointments and cancellations after these deadlines incur the following fees: \$50.00 for follow-up appointments; \$100 for an initial appointment. If you miss your initial appointment we will request the \$100 be paid before adding you back on to the schedule, which can be several months out or longer.

FOLLOW-UP APPOINTMENTS

The staff will be contacting you as your initial appointment approaches to schedule your first 3 follow-up appointments, each in one-month intervals after your initial appointment. We do our best to accommodate your schedule but our appointment availability can be extremely limited. The cost is \$165.00 per appointment (CPT code 99214), payable upon virtual check-out.

After your first 3 follow-up visits, frequency of appointments are every 1-3 months based on individual needs and complexity, until treatment is stabilized. Due to regulations regarding controlled substances, most patients appointment frequency requires 3-4 visits per year.

**Please do not hesitate to contact our office if you have any questions.
We look forward to meeting you and welcoming you to our practice!**

I have read the above and agree:
